Dear Sir or Madam

The 2010 season will mark the 18<sup>th</sup> year for the Ottawa Knights Baseball Club. This season, the Knights will be fielding three elite baseball teams, 15U, 16U and 18/19U. These teams play spring ball in the Quebec Baseball Association League and summer ball in the Northeast Conference of the New York American Legion Baseball League. We will also be participating in various tournaments with a strong focus in entering the Knights in top tournaments in the United States.

The team has enjoyed some outstanding successes over the years winning the American Legion Season Championship 4 times and numerous U.S. Tournaments while placing well in many others. We have participated in tournaments in New York, Pennsylvania, West Virginia, Ohio, Vermont, Connecticut, Florida, and Tennessee to name a few and continue to look for new opportunities.

The basic strength of the Knights' program is the dedicated and experienced volunteer coaching staff and team of instructors who have the technical expertise necessary to help raise the skill level of any player who has the talent and desire to bring their game to a higher level. Over the years many Knights players have been offered scholarships to various U.S. Colleges/Universities, 3 players have been drafted and countless others have continued to play ball at Canadian Universities.

However, we believe the greatest testament to the success of the Knights program are countless players who have continued to play baseball as adults and many of these players make sure they thank us for the wonderful experience of being a Knight and instilling a lifelong love of the game.

I am contacting you on behalf of the Ottawa Knights Baseball Club to request your support in the form of a sponsorship. Your support will assist with covering the costs related to field rentals, maintenance, umpire fees, equipment and tournament fees. Our sponsorship program also enables us to keep player fees down and ensure all eligible players in the region are able to participate.

If you require additional information about the sponsorship program or other types of financial support, please contact me and I will be happy to answer any questions you may have. If you are sending your sponsorship in the form of a cheque, please make it payable to the Ottawa Knights Baseball Club.

Please support these fine athletes and help make this year's season a success and one that we are certain will long be remembered.

The Ottawa Knights and I thank you for considering this sponsorship.

Lynda Carpenter
